

Royal Dog Days at the Faire Throughout the 2018 Season

His Majesty has issued an invitation to the lovers of dogs and their furry companions to join him and the Royal Hounds upon the Faire grounds each weekend of the 2018 Faire season. Howe'er, he doth expect one and all to follow these most serious Dog Days Decrees.

Dog Days Decrees

The Faire welcomes dogs with responsible owners.

Owners must be able to provide proof of Rabies Vaccination.

Owners are required to check in at the Dog Days Registration Window at the Front Gate upon arrival to receive the necessary identification indicating that their dog has been registered with the Faire.

Owners must provide the completed **Royal Dog Days Qualified Dog Registration Form (2018)** and **Royal Dog Days Qualified Dog Waiver (2018)** before entering the Faire grounds.

All dogs be on leash at all times (maximum of 6 feet) and kept under control. Retractable leashes are not permitted.

Owners are required to clean up after their dogs. Do not allow dogs to relieve themselves on walkways or inside booths.

Guests may not leave dogs unattended at any time upon the Shire.

Dogs shall not be left unattended in vehicles or in the parking lot.

Only well-behaved dogs in good health will be admitted. The Faire reserves the right to refuse any dog.

Dog owners shall adhere to any requests of performers, merchants or Faire staff, should an issue arise with any dog during a performance, inside a merchant booth or otherwise.

Not all dogs visiting the Faire will be comfortable with their surroundings. It is for that reason that the Faire reserves the right to ask anyone whose dog appears to be uncomfortable or is not under control to remove the dog from the park.

Dogs are not permitted inside the Anchor & Mermaid Tavern or the Carriage House Wine Shop. Service dogs are permitted in these locations.

Failure to adhere to any of the above decrees will lead to the owner and their dog to be escorted to the gate without admission refund.

Sensitive Ears?

Some performances contain the use of pyrotechnics, cannon fire, cracking whips or gun fire.

Opening Gate – cannon fire

Human Chess Match – whip cracking

Ultimate Joust – cannon fire, explosions, fireworks

Finale In Song – fireworks to end the show, possible whip cracking
