MUSIC

ADAM BLESSING

“Blessing... is a fixture in Central PA’s acoustic scene, peddling lilting, almost jazzy folk songs with Jack Johnson’s beach-bum mellowness and Ben Harper’s working-man’s soul in any and every venue that’ll have him.”

-FLY Magazine

INDIAN SUMMER JARS

Honoring styles of folk, blues, bluegrass, and gospel, Indian Summer Jars creates a sound that is unique and upbeat, dynamic and bold. With creative guitar tunings and strong, earthy rhythms, ISJ brings you uplifting songs inspired by travel, experience, growth, and change.

THE COTERIES

Born out of the midst of a 11,000 mile North American road trip, The Coteries bring you Acoustic Americana music steeped in their travels and the back roads of the American countryside. Donning acoustic guitars, a mandolin and a stomp box they take to the road in their old VW Bus, Trusty Rusty.

MIKE McMONAGLE

Mike McMonagle crafts an array of folkish ditties about riding trains, drinking wine and two of the United States four Commonwealths. He is joined by The Opportunists, a rotating collective of top-notch musicians borrowed when possible from a variety of regional bands that Mike is fortunate to call friends and family.
